us all**

## YOUTH SUCCESS

Matched through **Big Brothers Big Sisters**, volunteer Jack and his Little Brother Kade have forged a bond which has had a tremendous impact.

Kade's mother has watched her son develop confidence and maturity.

Says Kade, "I know for sure I'll always be able to call Jack, no matter how old I get. He has a family. And he has me. He's more than a Big Brother. He's my friend."
